1. Jackbox regret that the only information they have about PORMANS is of a negative nature. REINHARDS, the President (or Chairman) of the Latvian student fraternity, Lettija, from before 1940 until the date of its disbandment and who is now residing in the United Kingdom, has stated that he vaguely remembers a member named PORMANS. REINHARDS is certain that PORMANS was not in trouble as far as the fraternity was concerned during the time he was President. He says that he would have remembered PORMANS clearly, especially as the offense is alleged to have been a grave one.

2. There are no traces of PORMANS in the files of the [] station.
